Bill,

An update: If IES would like to meet, Krista and I would like to schedule the meeting on September 17, 23, 24, or 25, if at all possible. Should your clients wish to meet please let me know if they are available on any of those dates.

Thanks,

John

Thank you for your email. I received Krista's voice mail and am sorry that I have not had an opportunity to return her call. I have been occupied on other matters. I will reach out to IES and then get back to you.

Dear Mr. Hatfield,

The United States is interested in scheduling meetings to discuss settling EPA's claims, update IES on the government's position with regard to the LCP Chemicals site, and listen to any updates that you would like to share regarding your state court litigation with G-I. We're offering similar meetings to both IES and Praxair. I've attached an EO letter as a formal request to negotiate.

Krista and I would like to meet at the Region 2 offices in New York and are available for much of the week after Labor Day. Let me know if IES is interested in meeting, and what dates work best on your end. And don't hesitate to reach out with any questions.

Thanks,  
John
